

AUTOMATIC DEPOSIT OPPORTUNITY

Block Real Estate Services, LLC is pleased to announce that effective immediately it will offer Vendors, Agents, and Investors the option for Automatic Deposit via ACH.

What Automatic Deposit Will Do

Your bank account will be automatically credited for any monies due to you.

Instead of a valid check, you will receive a non-negotiable check that will include all of the same information your check includes. In addition, your bank account number will be printed on the face of the check, to insure proper posting to your bank account.

You can change to or from automatic deposit by written notification with 15 days notice.

Depending on your financial institution, most direct credits will be effective at the end of the following business day.
